

# **Oh, Father God, How I Love You**

**Oh, Father God, How I love You,  
Tears fill my eyes like the fresh morning dew,**

**Upon me You bestow treasures untold,  
Not that of mere diamonds, silver, or gold,**

**But lasting treasures from Your heart,  
Of serenity, tranquility, & love from which I'll never depart,**

**You emptied out the darken sin,  
Filling me with Your Spirit deep within,**

**Glowing warmth fills my inner soul,  
Making me complete, in You I am now whole,**

**While You cradle me in Your comforting wings,  
Joyful contentment within my heart sings,**

**As my Good Shepherd You protect with care,  
Guarding me from harmful despair,**

**Through Your strength I am able & strong,  
Knowing in You I'll always belong,**

**In Your eyes I am worthy of Your love,  
Soft & warm like a soft white dove,**

**Through Your Grace I am set free,  
Like an out stretched eagle flying with glee,**

**Oh, Father God, How I Love You,  
Tears fill my eyes like the fresh morning dew !**
