

# *Oh, My Little Child, Rest In The Father's Care*

*Oh, my little child, rest in the Father's care,  
Expressing your faith & hope in fervent prayer,*

*For He alone knows your deepest fears,  
He will wipe away your tears,*

*He alone can heal your broken heart,  
Taking away all the painful part,*

*He alone can touch you deepest wounded place,  
Cleansing it & Healing it through His love & grace,*

*Cry out to the Father above,  
And He will immerse you in His love,*

*Cradling you in His wings,  
Protecting you from evil things,*

*So, my child, rest in the Father's care,  
Expressing your faith & hope in fervent prayer !*
